

EVERYTHING TEACHERS NEED TO KNOW ABOUT THE DIVISION BIOLOGY COURSES

We have planned a workshop to familiarize teachers with the Division's new Biology courses and laboratory programs. You are invited to join us for an inspiring presentation and fun hands-on workshop. This session will cover course materials, grading and testing, lab content, registration procedures, and some activities directly from the course.

Wednesday, March 15, 2006

9AM -12 PM

98th Street School Auditorium

5431 W. 98th Street, LA 90045

To Register for the workshop

send an email to

Michele.stiehl@lausd.net

or call 213-241-3814.

Please include:

Your name, school site, and
contact number
